HOUSE LEAGUE INFORMATION

We have made some important changes to our indoor house league system to provide a more fun, exciting, and well-rounded experience for players!

We now have 3 different house league age categories:

- Junior House League: 2017, 2016, 2015
- Intermediate House League: 2014, 2013, 2012
- Senior House League: 2011 - Adult

Junior and Intermediate

- 2 games per week for October and November
- 1 game per week in December (SCSA Cup)

Senior

- 1 game per week from October to December
- 1 game per week from December to February (SCSA Cup)

The SCSA Cup is a mini tournament that is held over a number of weeks during the regular weekly house league times. More information is attached below!

We are especially excited to announce our new club system! All players in SCSA house league will be part of one of four clubs: Riverdene Rovers, Highland Wanderers, Elmwood F.C., or Southside Galacticos. There will be plenty of opportunity throughout the season for players of different age groups to go and cheer on other members of the same club!

United

We are excited to get another exciting Swift Current United indoor season underway!

We are happy to announce our continued participation in the Great Plains Futsal League. The league itself has expanded from 5 to 7 teams, and now includes a U12 developmental division.
